“What’s the story”

OMAN IEF TEAM

Oman IEF team ambassadors have won the ‘Sustainabilities:Social Capital’ award. The team members are Marilyn Alvarez, project admin manager, Viplav Kumar, purchase officer; Rajasekar Ramalingam, HSE advisor, Ramit Singh, project manager, Waqqas Akhtar, HSE lead instructor and Martyn Carroll, deputy operations manager. They encourage others to participate in charity events and organize company’s social activities. They have taken on the role along with their current day jobs and strive to keep a balance between their job role and the charity work. They dedicate their personal time on weekends, weekdays and work for long extended hours and encourage the staff and frontline employees, suppliers to participate in ‘Give a Day of Your Time’ program.

They have done an excellent job where employee volunteering and fundraising have become a norm in their work place and have received many accolades within the company. These events are published on LinkedIn, Facebook, yammer, internal newsletter, Focus Newsletter, Interserve webpage, local newspaper, clients newsletter, magazines and their Facebook page.

They work towards the goal of refining the future for people and places and closely work with the external and internal community at large. They always work in a team for all the projects and have set up a norm for volunteering in social activity in the company. Some of the key projects in 2017 are:

- 1) Empowerment Of Women - “We care centre” working with 15 poor women (OMR 3000 Riyals & 20 volunteers)
- 2) Charity Bazar organized in Douglas & Toco on Empowerment of Women - More than OMR 1000 raised by both companies
- 3) Empowerment of 15 Orphan Girls (OMR 3000 Riyals & 20 volunteers)
- 4) Supporting poor students from class 1 to class 11 - Sohar - OMR 1700
- 5) Furniture to disadvantaged Kids school - Autism
